

Educate Before You Recreate

In Oregon, it's legal for adults 21 and older to possess & use recreational marijuana...with limits.

21+

You can possess and use recreational marijuana if you are 21 and older. If you are younger, it's illegal.

You can possess up to 8 oz of usable marijuana in your home & 1 oz of usable marijuana outside the home.

You can grow up to 4 plants per residence, out of public view.

Starting October 1, medical dispensaries may sell small amounts of recreational marijuana. Until then, you can share or give it away.

You can use recreational marijuana at home or on private property. **PUBLIC USE IS ILLEGAL.**

You can't take marijuana in or out of the state. That includes Washington.

Driving under the influence of marijuana remains illegal. Please be responsible.

You can make edible products at home or receive them as a gift, and can only use them in private places.
